County OK's Funds For Playgrounds

Contracts with the cities of Torrance and Lynwood and the Long Beach Unified School District which will allow these groups to expand their recreational programs by opening school grounds during vacation periods and after school hours were approved Tuesday by the county of Los Angeles, according to Supervisor Burton W. Chace.

Chace announced that the county, under the provisions of the contract, will contribute funds to the various entities which will help to defray the costs of maintaining the school playgrounds for recreational purposes during off hours.

An amount of \$4,822 for recreational purposes was approved for the City of Torrance, Chace declared.

Chace pointed out that the funds contributed by the county are determined as a result of the recreational program that the cities or the school districts wish to carry out.

TEN-INCH SOFTBALL LEAGUE SET

The Torrance Recreation Department summer softball league opens Monday, July 11. The new 10-inch softball will be used by both the Pee Wee and Midgets.

A Northern, Southern, and Central League will be formed for all Midgets. All boys between the ages of 10 and 12 are asked to contact the playground director on their area. All league games will be played Monday nights at McMaster Park, Wednesday nights at Torrance Park, and Friday nights at WALTERIA Park.

Junior softball will be played every Monday night at McMaster Park and Wednesday night at WALTERIA Park.

A Senior League for all boys 15 to 17 also is being formed. All boys who are interested are requested to contact one of the parks in their area. All games will be played at Torrance Park. Les Breitenfeldt stated that the Northern League looks like the power league for this year.

The first regular meeting of the Bert S. Crossland Post 170 American Legion, was held in the Torrance Legion Hall on Border avenue Tuesday, July 5 at 8 p.m. at which time committee appointments were made.

Junior Legion Dropped By Redondo & Samuel Thomas

Torrance's Junior American Legion baseball team chalked up its third loss in as many starts as they were downed by Redondo 6-3 last Saturday in the beach city. In Sunday's contest at Torrance Park they received a 8-2 beating by the Samuel Thomas Legion team from Long Beach.

Bob Clifford paced the Torrance horseholders at Redondo collecting two hits for four trips to the plate. Ron Anderson was one for three, while Jack Anderson, Bobby Grajeda and Barrett Lee were one for four.

Clifford was the starting hurler for the Torrance crew and was relieved by Ray Grieshaber in the sixth. Clifford set five down by the strikeout route and walked three. Grieshaber fanned one and didn't issue any free transportation. Beattie the Redondo pitcher struck out eleven Torrance batsmen and walked seven.

Sunday the Torrance team could collect only three hits off Samuel Thomas chuckers Lacey and Fairly. Ron Anderson and Steve Beckett each got one hit in three trips. Bobby Grajeda accounted for the only other Torrance safety in his four tries at the plate.

Recreation Program Success Told

"The programs are a rip roaring success," said Recreation Director Harry Van Bellehem today.

After a tour of the park and school playgrounds, Van Bellehem noted that attendance of the youngsters on the playgrounds is a way above last year. Many of the areas that he visited had over 200 youngsters in craft classes, tournaments, softball games, and all other types of activities.

"No playground that I visited had less than 50 children at the time I was there," said Van Bellehem.

The Recreation Department looks forward to a big season with all the activities they have planned. Already inquiries are being made by parents wishing to enroll their children in the Kiwanis Swim Program, the Annual Circus, Pet Shows, and others.

Recreation Programs are now being conducted at El Retiro Park, McMaster Park, Torrance Park, and WALTERIA Park.

Also at the following schools: Crenshaw Elementary School, Fern-Greenwood Elementary School, Hillside School, North Torrance Elementary School, Hollywood Riviera School, Seaside Elementary School, and WALTERIA School.

Hillside vs. WALTERIA

Don Clark pitched Hillside to a tie game with WALTERIA. WALTERIA jumped to a 3-0 lead, in the first inning. Hillside came back and tied it up in the second inning, and in the third, went up to a 7-3 lead. WALTERIA tied the score in the seventh inning.

A movie was shown to the children. The picture was "Abbott and Costello Meet Frankenstein" which met with laughter and some fright. The movie was enjoyed immensely by all.

Hillside plans a Watermelon Feed for all softball team players and tournament players on August 22.

BRUINS LEAD LEAGUE

In the major division of the North Torrance Little League, the Bruins are still in first place by a six game lead, with the Indians and Bears tied for second, and the Trojans in last place.

The Trojans lost a game to the Bruins, and picked up one from the Bears, while the Bruins took one from the Indians.

Jerry Stevenson was up 3 times and had 3 home runs for the Bruins Sunday. The Bears took the Indians 10-3.

In the Minor division the Bruins gained one from the Indians and lost 6-8 to the Trojans, while the Trojans lost one to the Bears in a long tight game, 17-18.

On Sunday the Bears took the Indians 3-17, with Frank Giovenco hitting 5 for 5, and a home run to boot.

The Minor Bears are in the lead 8-3 with the Indians and Trojans tied 7-5, and the Bruins in last place, 2-11.
